Saisonbeginn / début de saison : 01.04.2025

A detailed site plan of a caravan park. The plots are arranged in a grid-like pattern, with some plots highlighted in red and others in green. The plots are numbered from 1 to 283. The red plots are located in the upper and middle sections of the plan, while the green plots are in the lower section. The plan shows the layout of the site, including paths and service areas.

A detailed site plan of a caravan park, similar to the one on the left. The plots are arranged in a grid-like pattern, with some plots highlighted in red and others in green. The plots are numbered from 1 to 337. The red plots are located in the upper and middle sections of the plan, while the green plots are in the lower section. The plan shows the layout of the site, including paths and service areas.
