

LES DIABLERETS

Treasure Hunt

DISCOVER THE REGION

TRAIL: LES DIABLERETS - LE LÉDERREY - LE DROUTZAY - AIGUE NOIRE

TIME: AROUND 2H00

Game's Rule

With the map, the pictures and the travel notebook, find the 13 places while hiking. Be aware some clues are well hidden!

When you find one of the items, write the letter or the number on the right parchemin. Put the letters together and form a word. Return to the Tourist Office to find the treasure!

We thank you to tell us if any of the items would suffer from the bad weather or vandalism.

Good luck !!!

Fulfill the form and put it in the box to take part in our monthly draw !*

Place 12

Keep going on the same road and you will arrive at the forest.
Your clue faces the river.

Place 13

Take the footpath on your left and keep going through the forest until you find a bridge, cross it and have a look on the left at the end.

Finish Line

Come back to the Tourist Office, you will then put your answer in the box and maybe win the treasure.

Place 9

You will have to do the slalom exercise to find the next clue

Place 10

Leaving the forest, you will arrive at a pic nic place.
Your stop is behind the fountain.

Place 11

Your hike will bring you on the Route d'Aigue, another clue
is waiting for you at the fountain.

Starting point

Your hike begins at the Tourist Office, goes behind the church, crosses the bridge and goes left next to the river

Place 1

Look for the first clue at the end of the bridge on the left side.

Place 2

Walk along the river against the stream. Then cross the road and keep going behind the Eurotel Victoria. Your next stop is at the entrance of the Domaine des Sources.

Place 3

Go on the path next to the river, at the fork take the footpath on your right and go in the forest. Clue number 3 is waiting for you under the bench.

Place 4

We you will be out of the forest go left cross the bridge and follow the footpath on the right. You will then join another road. At that point cross the river again and you will find a new clue on the parking lot.

Place 5

Take the path on the left and follow the river. You will arrive at a wooden bridge. The clue is on the left at the entrance of that bridge.

Place 6

Cross the bridge and take the path on the right. Clue number 6 is near the parallele bars. Then, follow the footpath, cross the road and go up in the forest.

Place 7

Behind the rock at the next exercise you will find the new clue. Then, keep following the same path.

Place 8

Further into the woods you will see a big rock. At its foot stands clue number 8.
