

Little Train renting conditions 2022

Little Train

- The Little Train has a maximal capacity of 52 people or 48 people with 1 manual wheelchair. In case of bad weather (snow, storm...) Morges Région Tourisme has the right to cancel a ride.

Renting

- During a travel outside of Morges, the time of the renting starts when the Little Train leaves its parking space and ends when it returns back to this space.
- A three-day period is necessary between a rental request and the day of the renting (subject to availability and the need for an authorization request).

Cancellation

- It is possible to cancel your renting without fees until 7 days before the departure. After this date, you will be charged CHF 100.00.
- If no-one shows up at the meeting point and the driver cannot reach the contact person, they will cancel the renting after having waited 30 minutes. You will be charged the totality of the renting.

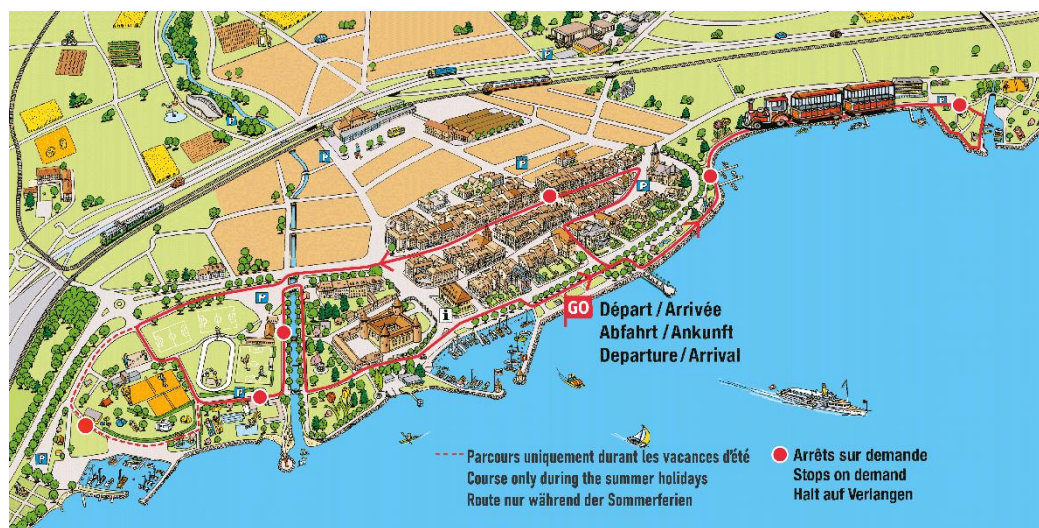

Traffic authorization

- If you would like to create your route in the district of Morges, you can send it to us with a precise map (Google Map + indication of the routes taken). We will then have to apply for authorisation from the Automobile and Navigation Service. It takes 3 weeks to receive the authorization to travel. This authorization will be charged at an additional CHF 60 for one day and CHF 100 for two days of rental. In case of cancellation, the amount will still be charged.

Payment

- During the month following the rental, an invoice will be sent to you by post, according to the driver's hours bill.
