

Statutory information

Important legal remarks

Please read the following conditions carefully before you continue. Anyone wishing to use the website fribourgregion.ch, run by the Union fribourgeoise du Tourisme, declares that they accept the conditions set out below by confirming their agreement using the “I accept” button, which appears the first time they access the website.

Copyright and trademark rights

All content published on the website fribourgregion.ch is legally protected by copyright. All rights are held by the Union fribourgeoise du Tourisme or third parties. The elements of the website fribourgregion.ch are accessible to the public for browsing only. Photocopying any or all of the documents in written or electronic form is only authorised with the express consent of the Union fribourgeoise du Tourisme. Reproducing, communicating, modifying, combining or using the website fribourgregion.ch for commercial or dissemination purposes without the prior written permission of the Union fribourgeoise du Tourisme is prohibited.

All names and logos shown on the website fribourgregion.ch are registered and protected trademarks. The website fribourgregion.ch is designed so that no right or licence may be granted for the use of any illustration, registered trademark or logo. Downloading or copying the website fribourgregion.ch, either fully or in part, does not grant any rights to the software or content of the site. The Union fribourgeoise du Tourisme reserves all rights to all content on the website fribourgregion.ch, except for rights held by third parties.

Absence of guarantee

Although the Union fribourgeoise du Tourisme makes every effort, in good faith, to guarantee the reliability of the information found on the website fribourgregion.ch at the time of its publication, neither the Union fribourgeoise du Tourisme nor its contractual partners can formally certify or confirm, either explicitly or implicitly (including in respect of third parties) the accuracy, reliability or completeness of the information found on fribourgregion.ch. The opinions expressed and other information found on the website fribourgregion.ch may be modified at any time without prior warning. The Union fribourgeoise du Tourisme declines any responsibility and offers no guarantee whatsoever that the functions available on the website fribourgregion.ch will never be interrupted, nor with regard to the absence of viruses or other harmful elements in the browser concerned.

Limitation of liability

The Union fribourgeoise du Tourisme declines any liability for any direct, indirect or consequential damage that may result from accessing to the elements of the website fribourgregion.ch or their use, or if it is impossible to access or use them, or as a result of connecting to other websites.

Connection (links) to other websites

The website fribourgregion.ch contains links to third-party websites that may be of interest to you. By clicking on these links, you may either leave the website fribourgregion.ch or windows of third-party sites may appear in the environment of the website fribourgregion.ch. The Union fribourgeoise du Tourisme has no control over third-party websites linked to the site fribourgregion.ch and cannot under any circumstances be held liable for the content or operation of said websites. This applies regardless of whether you leave the environment of the website fribourgregion.ch by clicking on a link or a third-party site appears in the environment of the website fribourgregion.ch, even if in this case, the publisher of the information shown on the third-party site is not clearly indicated. Any risk or danger arising from connecting to or viewing third-party sites is the user's sole responsibility.

Tracking Tools

We use the following tracking tools, web and service tools on our website (fribourgregion.ch). By using our website, you also accept all the following terms and conditions. If you do not agree, please leave the website.

Social Media Plug-ins

We use social media plug-ins for Facebook, Twitter and Google Plus on our website. Plug-ins are deactivated by default on our website and therefore do not communicate any data. You may activate plug-ins by clicking on the button for the social media concerned.

When plug-ins are activated, your browser creates a direct connection to the servers of the social media concerned, as soon as you open one of the pages on our site. The content of the plug-in is sent directly from the social media to your browser and incorporated into the web page by them. Plug-ins can be deactivated again with a single click.

Additional information is available in the respective data protection statements of Facebook, Twitter and Google.
