

CHARMEY

ADRENALINE AND WELLNESS

The name says it all: Charmey is a charming mountain village. It offers an authentic taste of life in the Fribourg Pre-Alps with a variety of activities. The Désalpe, a traditional festival marking the descent of cattle from their summer Alpine pastures, always takes place on the last Saturday in September. Sports enthusiasts recommend a completely different highlight: the unique zip line run from the Vounetse top station (1,627 m) to the adventure park at the Rapido Sky middle station, 400 m below. Eleven zip lines up to 200 metres long provide two hours of fun, sliding against the backdrop of the breathtaking Fribourg Pre-Alps. Adrenaline-fuelled sightseeing from a different perspective!

In summer, Charmey is an ideal base for a wide variety of hikes and mountain bike tours, while in winter it is a family-friendly skiing area. The "Bains de la Gruyère" promise sensory indulgence and absolute relaxation with the magical watery landscape and

the uninterrupted view of the mountain scenery of La Gruyère. The Carthusian monastery La Valsainte, founded in 1294, is situated in Cerniat, not far from Charmey. After the French invasion, 80% of the Carthusian monastery was destroyed. The Carthusian monks began rebuilding and extending the monastery in 1863. The monks have always played a decisive role in the regional economy. They still live in the Carthusian monastery today and are frequently encountered during their weekly stroll in the mountains. If you wish to gain an insight into daily life in the monastery and the spiritual life of the Carthusians, a visit to the Valsainte room with a monastic cell in the Musée de Charmey is recommended. The Museum also presents local history, traditions and local works of art from the past and present.

AN ACTIVITY

A rendezvous with the shingle maker: Léon Doutaz is a passionate expert in this old regional craft. He is willing to allow visitors to look over his shoulder while he works on the Alpine chalet – or in his workshop in winter. www.dzin.ch

A TRADITION

Charmey désalpe: For insiders, the most picturesque descent from the Alps in Switzerland! The traditional festival pays homage to the Alpine farmers and their cows and goats when they return to the valley after a busy summer in the Alps. The herdsmen wear their brezdons, the women their dzaquillons, and the animals are adorned with flowers and magnificent bells. The festivities include a market and other regional specialities. It is possible to try the delicacies here and there. It is a hit with visitors and photographers from near and far. *Saturday, 28 September 2019*
