

Statutory information

Important legal remarks

Please read the following conditions carefully before you continue. Anyone wishing to use the website la-gruyere.ch, run by La Gruyère Tourisme, declares that they accept the conditions set out below by confirming their agreement using the “I accept” button, which appears the first time they access the website.

Copyright and trademark rights

All content published on the website la-gruyere.ch is legally protected by copyright. All rights are held by La Gruyère Tourisme or third parties. The elements of the website la-gruyere.ch are accessible to the public for browsing only. Photocopying any or all of the documents in written or electronic form is only authorised with the express consent of La Gruyère Tourisme. Reproducing, communicating, modifying, combining or using the website la-gruyere.ch for commercial or dissemination purposes without the prior written permission of La Gruyère Tourisme is prohibited.

All names and logos shown on the website la-gruyere.ch are registered and protected trademarks. The website la-gruyere.ch is designed so that no right or licence may be granted for the use of any illustration, registered trademark or logo. Downloading or copying the website la-gruyere.ch, either fully or in part, does not grant any rights to the software or content of the site. La Gruyère Tourisme reserves all rights to all content on the website la-gruyere.ch, except for rights held by third parties.

Absence of guarantee

Although La Gruyère Tourisme makes every effort, in good faith, to guarantee the reliability of the information found on the website la-gruyere.ch at the time of its publication, neither La Gruyère Tourisme nor its contractual partners can formally certify or confirm, either explicitly or implicitly (including in respect of third parties) the accuracy, reliability or completeness of the information found on la-gruyere.ch. The opinions expressed and other information found on the website la-gruyere.ch may be modified at any time without prior warning. La Gruyère Tourisme declines any responsibility and offers no guarantee whatsoever that the functions available on the website la-gruyere.ch will never be interrupted, nor with regard to the absence of viruses or other harmful elements in the browser concerned.

Limitation of liability

La Gruyère Tourisme declines any liability for any direct, indirect or consequential damage that may result from accessing to the elements of the website la-gruyere.ch or their use, or if it is impossible to access or use them, or as a result of connecting to other websites.

Connection (links) to other websites

The website la-gruyee.ch contains links to third-party websites that may be of interest to you. By clicking on these links, you may either leave the website la-gruyere.ch or windows of third-party sites may appear in the environment of the website la-gruyere.ch. La Gruyère Tourisme has no control over third-party websites linked to the site la-gruyere.ch and cannot under any circumstances be held liable for the content or operation of said websites. This applies regardless of whether you leave the environment of the website la-gruyere.ch by clicking on a link or a third-party site appears in the environment of the website la-gruyere.chfr, even if in this case, the publisher of the information shown on the third-party site is not clearly indicated. Any risk or danger arising from connecting to or viewing third-party sites is the user's sole responsibility.

Tracking Tools

We use the following tracking tools, web and service tools on our website (la-gruyere.ch). By using our website, you also accept all the following terms and conditions. If you do not agree, please leave the website.

Social Media Plug-ins

We use social media plug-ins for Facebook, Twitter and Google Plus on our website. Plug-ins are deactivated by default on our website and therefore do not communicate any data. You may activate plug-ins by clicking on the button for the social media concerned.

When plug-ins are activated, your browser creates a direct connection to the servers of the social media concerned, as soon as you open one of the pages on our site. The content of the plug-in is sent directly from the social media to your browser and incorporated into the web page by them. Plug-ins can be deactivated again with a single click.

Additional information is available in the respective data protection statements of Facebook, Twitter and Google.
