The Kids Tour de La Chia is the ideal trail to introduce your kids to snowshoeing. With no major difficulties along its 1.6 km, it will allow you to spend a pleasant time with your family and be outdoors. In the small resort of La Chia, 10 minutes from Bulle, your little ones can take their first steps on snowshoes!

The itinerary starts at the car park of La Buvette des Amis de La Chia. On the left of the skilift, you can put on your snowshoes directly in front of the starting sign post for your hike. Follow the track along the road for about 500 metres and at the 2nd chalet, turn left to the road. At this point, you have a magnificent view of the Dent de Broc ! Then, turn left again to start the second part of the loop which will bring you back to your starting point by following the markings (blue or wooden stakes).

This part of the itinerary takes you first to a small forest. Then, you start a small ascent which reserves you a nice surprise! Indeed, a plunging view of the town of Bulle and its Castle as well as the Gibloux awaits you. Then turn left and cross the field alongside the fence. Take the time to exchange a kiss, with the person(s) accompanying you, under the magnificent mistletoe, before embarking on the final climb.

This unprepared itinerary is marked. You take this trail at your own risk. Snowshoeing is done in the mountains, therefore, certain rules must be respected for your safety.
