### Sentier Vert (Green Trail)

Located on the south face of the Gibloux, our snowshoe trails offer an idyllic setting in winter. Between peat bogs, pastures and forests, you might think you are in Lapland. The view of the Moléson and the Pre-Alps is there to remind us that we are in Gruyère. Various starting points are accessible by car from Riaz, Marsens, Sorens (TPF Bus) and Maules.

Here, the Sentier Vert is mapped from Chalet Neuf in Riaz.

This unprepared itinerary is marked. You take this trail at your own risk. Snowshoeing is done in the mountains, therefore, certain rules must be respected for your safety.
