Tour description

From Riggisalp, take the «Höhenweg» towards la Brecca, one of the most beautiful alpine valleys, carved out by the glaciers tens of thousands of years ago. Kids are sure to love spotting chamois, marmots and the many alpine flowers along the way.

You will be amazed at the many mountain maples (not to mention the cosy mountain inns!) dotted over la Brecca. These trees might not be tall, but their astonishing shapes and forms are simply unforgettable.
