

REFUND/ CANCELLATION POLICY

If you must cancel your registration, please do so as soon as possible. Substitutions are accepted. Registration fees, less a \$25.00 processing fee, will be refunded if notice is received in the Conference Registration Office on or before 4/30/20. Due to guarantees we must give prior to the program, refunds are not available if notice of cancellation is received after the deadline. To cancel or modify your registration, please send a written request to info@juratourisme.ch with the program name in the subject line.

Registrants who do not cancel their registration by the deadline are responsible for the total registration fee even if they do not attend the event and have not paid the registration fee.

The organization comitee may cancel or postpone this program because of insufficient enrollment or other unforeseen circumstances. If the program is canceled or postponed, registration fees will be refunded but we cannot be held responsible for other costs, charges or expenses, including cancellation/change charges assessed by airlines or travel agencies. Registration fees will not be canceled and refunds will not be issued if the program is held but the registrant is unable to attend due to travel delays or cancellations caused by inclement weather, or due to other extraordinary circumstances beyond the control of the organization comitee.
