PRESS RELEASE

Nendaz : great deals to enjoy the winter!

There are many ways to enjoy winter in Nendaz. There are those who grab their skis as soon as the first snowflake falls, those who enjoy exploring the various landscapes and resorts while having fun on the slopes, those who prefer to climb the slopes on their touring skis and those who appreciate the tranquility of a spa. Nendaz has something for everyone!

First Snow

For ski enthusiasts who can't wait to spend a weekend on the snow, Nendaz is offering a "Premières Neiges" (First Snow) package on the weekends of the 3rd to 5th, 10th to 12th and 17th to 19th December. What's in store? Skiing of course with a two-day Printse lift pass as well as one or two nights with a choice of several types of accommodation, all at an unbeatable price!

Ski Safari 4 Vallées

The "Ski Safari 4 Vallées" is the promise, in January or March, of an unforgettable stay in the heart of the mountains in two destinations of Switzerland's largest ski area, the 4 Vallées. Guests can enjoy over 400 km of slopes for two days and spend one night in each of the resorts of Nendaz and Veysonnaz in a choice of standard or deluxe accommodation. Leaving from one of the two villages in the morning and ending the day in the other. Luggage transfer is organized.

Dare to ski touring ^{NEW} or Dare to ski

With the view over the pristine white slopes, it is tempting to set out to conquer the summits on touring skis. But it's quite daunting to start out for the first time due to a lack of knowledge of the equipment and the terrain. That's why this offer combines equipment rental and 2 hours and 15 minutes of coaching by a qualified ski instructor. This initiation allows budding ski tourers to be sufficiently at ease to enjoy the ski touring itineraries offered in Nendaz, or at least the one for beginners which links Siviez to Tortin. All the routes are marked out and reach the top of the lifts for a safe descent on the slopes during the lift operating hours.

It should be noted that while the 'Dare to ski touring' package, which is riding the wave of popularity of this sport, is new for the winter of 2021-22, the 'Dare to ski' offer is being reintroduced for the sixth year in a row as it meets a real demand. It is aimed at adult beginners who would like to take up skiing (again) with a package including lift passes, equipment hire and ski lessons.

Ski & Spa

A day on the slopes and an evening at the spa – what better way to sum up a perfect day in the mountains! And with the Ski & Spa offer nothing could be easier: booking is just a click away and at a very attractive price.
