

New Year's Eve

Events in our mountain restaurants

**A reminder of the health measures in effect
(these may be modified according to the evolution of the situation
and the regulations put in place by the authorities)**

For everyone over the age of 16 years, access is limited to valid Covid-19 certificate holders (2G).

This means that you must be either vaccinated or cured (the corona virus infection must have been confirmed by an official PCR test, of which the confirmation is included in the covid-19 certificate).

A negative COVID test (PCR, antigenic or other) is not sufficient.
Please bring the certificate in the form of a QR code and an ID document.

Participants, from the age of 12 years, must wear masks in both gondola rides (up and down), and in the restaurant whenever they are not seated.

Guests can only eat and drink while seated.

There will be no dance floor and no themed musical entertainment.

However, there will be background music during the evening.

No refunds will be granted, even if one of the registered guests does not meet the entry requirements.

The meeting time is given in the e-mail accompanying this document. Please note that the return journey is organized within a certain time frame. It is not possible to choose other return times.

Skiing down to the resort is not permitted.
