NENDAZ
4 VALLÉES +

Welcome to Nendaz

Nestled in the heart of the prestigious 4 Vallées ski domain, the largest in Switzerland offering over 400 kilometres of ski runs, Nendaz offers so much more than just snow-covered slopes. Whether in winter or in summer, our destination is the perfect location for your business meetings or incentive trips.

Boasting a wide range of accommodation including chalets, apartments and 3* and 4* hotels, Nendaz can meet the needs of every type of event.

In addition to this, our fully equipped meeting rooms provide the ideal setting for successful business meetings.

Thanks to our excellent weather conditions, a wide range of exciting outdoor activities are available all year round. Whether it be a hike along one of our eight historical bisses, mountain bike tours in summer, a taste of our traditions or skiing in winter, there is truly something for everyone.

With over 35 restaurants and bars as well as a number of shops and businesses, participants can fully enjoy their stay.

In case of bad weather or for indoor activities, Nendaz also offers attractive alternatives. Initiations to the Alphorn can be given indoors, you can enjoy an exhibition at the Nind'Art gallery or relax at the Spa des Bisses. Last but not least, an Escape Life will certainly appeal, offering participants an immersive experience in the fascinating history of Nendaz.

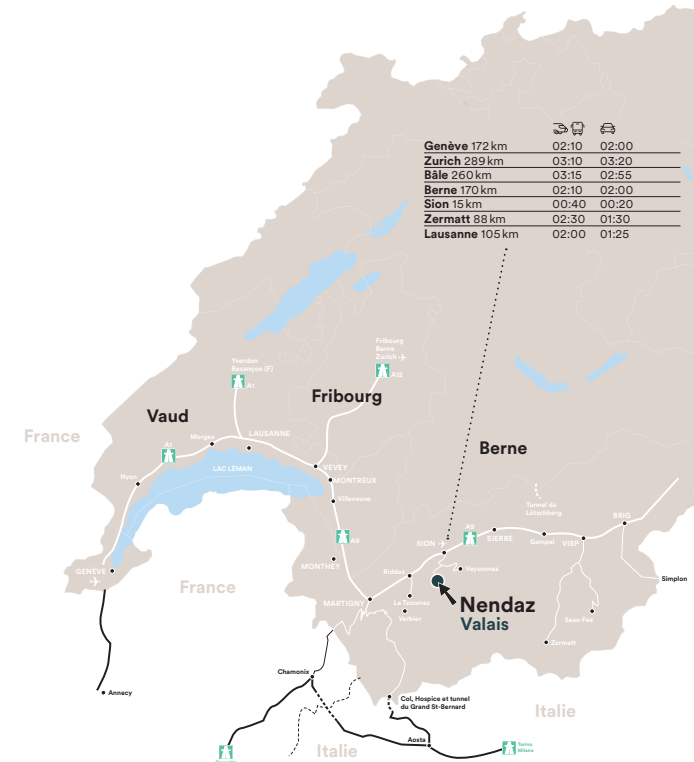

Accessibility

At halfway between Chamonix and Zermatt, Nendaz is located in the heart of the Valais Alps and offers stunning panoramic views over the Rhone Valley. Nendaz is situated at 1,325 metres above sea level, at 20 minutes by car from Sion. Our destination boasts a direct access via the motorway network between Sion and the European capitals. If you are arriving by plane, there is a direct train service to Sion from Geneva Airport.

Excellent connections are also available between Zurich Airport and Sion. Once arrived in Sion, the postal bus brings you to Nendaz in 40 minutes. We invite you to find out more about public transport timetables on the CFF website (www.sbb.ch). If needed, it is possible to organise private transfers from the place of your choice to Nendaz.

Why choose Nendaz?

A break from everyday life in a natural setting

In the heart of the 4 Vallées ski domain, Nendaz benefits from a privileged location, making it an ideal destination in both summer and winter. Throughout the winter, ski enthusiasts can enjoy over 400 kilometres of ski slopes adapted to all levels. In summer, this vast domain transforms into a hiking paradise with a great number of breathtakingly beautiful footpaths.

While Nendaz offers many activities, it is also perfect for rest and relaxation. This creates the ideal atmosphere for combining work and relaxation.

Easy access thanks to its proximity to major routes

Guests can reach Sion by rail from a number of Swiss and international destinations, before taking one of the regular postal bus services running to Nendaz 7 days a week.

When you choose Nendaz, you are opting for a destination that offers not only an exceptional natural setting, but also a host of services and activities to make your stay unforgettable.

A wide range of activities available all year round

No matter the season, Nendaz invites you to enjoy unique experiences. From outdoor adventures to indoor activities, Nendaz offers experiences tailored to your needs. Whether you wish to explore the mountains, on foot in summer or on skis in winter, discover our traditions, relax or solve riddles, each activity organised in Nendaz can be personalised to guarantee an unforgettable adventure.

A village on a human scale with all the necessary conveniences

Here, there is a medical centre, hotels and sports shops as well as supermarkets all on hand. Everything has been designed to ensure that you can enjoy your stay in maximum comfort and without a care in the world.

Sustainability

The sustainability is an important factor for which Nendaz is committed in a number of ways:

1. Preserving Nendaz's heritage and culture

In Nendaz, preserving the natural heritage, such as the bisses, and the cultural one, like the Alphorn, is essential. By promoting and protecting this heritage, Nendaz ensures that future generations can also enjoy these exceptional treasures.

2. Step into Nendaz's tradition

To share its traditions, Nendaz proposes engaging and truly genuine activities. Guests can discover the local wildlife and surrounding nature and participate in an Alphorn playing initiation. It is also possible to visit the mountain pastures, to learn all about and even taste local products such as raclette cheese. Furthermore, the old quarters of the village present a unique insight into the region's history and traditions.

3. Reach Nendaz via a regular public transport system

Nendaz is highly accessible thanks to an efficient public transport network. This not only provides an ecological solution but also a practical way to explore the stunning Alpine scenery leading visitors to Nendaz.

4. Hotels by MAD

The MAD hotels, MAD Mount and MAD Retreat embody a strong commitment to sustainability. Their development strategy is reflected in every aspect of their operations. You can find further information by following this link: www.madmount.ch/mad-philosophy.

5. Swisustainable

Nendaz Tourisme is proud of its commitment at level III of the «Swisustainable» label. It represents a harmonious vision of sustainability, embracing environmental, economic and social aspects. This distinction reflects our commitment towards sustainable development.

Hotels

Hotel Nendaz 4 Vallées****s

In the heart of the resort, this superb hotel complex provides 62 rooms and suites from 29 to 70m², offering premium quality comfort. Natural elegance reigns with a decor incorporating wood, slate and elements reminiscent of the stunning surrounding mountain scenery.

The hotel also boasts an amazing spa of 2,220 m², beautifully inspired by the local bisses, offering guests a unique experience perfect for total relaxation.

The establishment proposes two modular meeting rooms, «Chamois» and «Bouquetin», each 87 m² in size. It is also possible to combine these two rooms to form a more spacious conference room of 174 m².

With plenty of natural light, these fully equipped spaces can accommodate groups of up to 160 participants in a professional and inspiring setting for successful meetings and seminars.

Teambuilding all year round

Discover our teambuilding activities available throughout the year. Whether it is to learn all about the rich heritage of the region, to participate in a stimulating team experience or to take on exciting challenges, the following activities are designed to adapt to all seasons and of course to your wishes and needs.

Thanks to their great flexibility, our activities can be planned in summer or winter, outdoors or indoors, according to your needs and desires. Whether you prefer summer's warmth or winter's magic, we have the perfect solutions to ensure an enriching and memorable experience for your guests.

Initiation to the Alphorn

Maximum 16 participants

Come and discover Nendaz's culture and heritage by following an initiation to the Alphorn, the emblematic instrument of the region. Enjoy the unique opportunity to play a few notes and learn the basics, with a dedicated teacher during an introductory course.

🇫🇷 🇩🇪 🇬🇧

Visit to the old quarters of the village

Maximum 10 participants per guide

Delve into Nendaz's history and heritage with a visit to the village's old quarters. This educational activity offers a unique immersion in the region's history.

🇫🇷 🇩🇪 🇬🇧

Survival in the wild

Maximum 10 participants per guide

Take part in an authentic adventure and learn essential wilderness survival skills. Learn how to find your way around, build a shelter, light a fire and cook over a wood fire in the great outdoors. Plus, in summer, learn how to forage for food using edible plants.

🇫🇷 🇩🇪 🇬🇧

Treasure hunt / orienteering race

Maximum 10 participants per guide

Strengthen your team's cohesion with a treasure hunt or orienteering race in Nendaz. These fun and stimulating activities enable participants to work together to solve riddles and find clues throughout the region.

🇫🇷 🇬🇧

Meditation and hypnosis

Maximum 10 participants per guide

Offer your team an experience of relaxation and well-being with meditation and hypnosis sessions. These practices help to reduce stress, improve concentration and strengthen team cohesion.

Escape Life

This team mystery game not only stimulates collaboration and strategic thinking, but also allows you to discover the history and heritage of the region. This activity is ideal whatever the weather, as the riddles are always solved indoors.

Local product tasting sessions

Offer your team a genuine insight into the local produce of Nendaz by organising tasting sessions of local products.

Snowshoe hike and outdoor raclette / Hike and outdoor raclette

Maximum 10 participants per guide

Give your group a unique experience with a walk on snowshoes in winter or on foot in summer. Discover the wonders of the natural surroundings and finish your walk with a delicious raclette prepared over an open fire in an absolutely magical setting.

An incredible experience at 3,330 metres above sea level

Reach Mont-Fort, the highest point in the 4 Vallées ski area, located in the municipality of Nendaz at 3,330 metres above sea level. Enjoy spectacular views over the Alps from the Mont-Fort panoramic platform. The most audacious among you can experience an adrenalin rush by reaching the Col des Gentianes (at 2,950 metres) via the highest zipline in Europe.

Sporting challenges

Maximum 10 participants per guide

Stimulate your team with sporting challenges. Suitable for all levels, races, team games and various events designed to encourage cooperation and team spirit are organised by mountain guides. It is also possible to include a prize-giving ceremony at the end of the challenges.

Teambuilding in winter

From December to mid-April

Dive into the authenticity and winter beauty of Nendaz with our teambuilding activities, designed to strengthen your team's bonds and discover the local heritage.

Put on your snowshoes and discover the heritage of our land and the wonderful winter landscapes of Nendaz, accompanied by a guide who will introduce you to our beautiful region.

For a sporty break, enjoy Nendaz's ideal location in the heart of the 4 Vallées, the largest ski area entirely in Switzerland, with over 400 kilometres of runs for all levels of skier.

A number of ski schools are on hand to guide your groups across the ski domain, offering lessons for all levels. It is also possible to book ski touring lessons or guiding.

Skiing in the heart of the 4 Vallées

Nendaz is located in the heart of the 4 Vallées, Switzerland's largest ski domain. With over 400 kilometres of runs, Nendaz offers unforgettable experiences for families and powder lovers from November to April. For those who prefer to explore a specific part of the resort, the Printse sector offers 220 kilometres of slopes of varied difficulties.

Raclette at the cow shed

Maximum 15 participants

Discover the art of raclette by learning how to prepare the cheese like a true 'nendard' and enjoy this tasty traditional dish. At the Courtena cow shed, you will be close to the cows that provided the milk for the cheese you will be eating. Participants can get up close to the famous Hérens cows and visit the farm. This activity combines culinary discovery with local culture.

Visit to a cow shed

Maximum 15 participants

Discover daily life in the cow shed. The more adventurous can try their hand at milking and taste fresh milk straight from the udder. The tour also includes a visit to the cheese cellar, followed by a tasting session of local products in the barn.

Initiation to curling

Maximum 16 participants

Invite your group to try their hand at curling on the ice rink in the centre of the resort of Nendaz. This activity promotes team spirit, fair play and loads of fun.

Ski touring

Maximum 10 participants per guide

Discover ski touring in Nendaz thanks to our 5 Movement Tracks offering a variety of routes for all levels. The uphill section is on marked trails and the downhill section is on one of our ski slopes. Whether you're looking for a sporting challenge or a relaxing stroll in the heart of nature, ski touring is an unfailingly memorable experience. You can enjoy this experience with the support of an instructor to teach you ski touring or to guide you during this activity.

Sledging

Treat your team to an unforgettable sledging experience in the heart of the 4 Vallées, on the Tortin sledging run. This 3-kilometre run promises plenty of fun and entertainment in a stunning setting.

Torchlight descent

On request

Take the last Tortin chairlift to the Hameau de Tortin for a delicious meal. Then, supervised by guides, put on your skis and descend the slope by torchlight. An unforgettable activity!

Snowshoe hike

Maximum 10 participants per guide

Set out to explore the amazing landscapes thanks to a guided hike along one of the 7 snowshoe tracks available in the region of Nendaz. If you wish, it is also possible to organise a snowshoe outing off the beaten track in complete safety with a mountain guide. You can also opt for themed snowshoe outings, with an emphasis on winter safety or the signs and tracks of the local wildlife that can be found in the surrounding countryside in winter.

Workshops on mountain safety in winter

Maximum 10 participants per guide

Learn more about mountain safety in winter from a guide, who will provide you with essential information about safety equipment, rescue techniques and how to behave in the mountains. You will have the opportunity to learn more through avalanche victim search, probe and shovel use.

For more activities or indoor workshops, please take a look at our chapter «Teambuilding all year round».

Teambuilding in summer

From mid-May to the end of October

Throughout the summer season come and enjoy the stunning scenery and rich cultural heritage of Nendaz. Explore our 'bisses' or set out along the many footpaths and discover the beauty of our region on foot. For thrill-seekers, E-bike itineraries give you the chance to explore the region from a whole new angle. In September and October, enjoy the Indian summer in Nendaz. Thanks to mild temperatures and generous sunshine, this period extends the summer and allows you to discover the region in its finest autumnal colours, making the range of outdoor activities on offer even more attractive.

Wilderness cooking workshop

Maximum 10 participants per guide

On this guided walk, learn to recognise different edible and medicinal plants. Together, pick herbs and flowers to prepare a snack to enjoy in the heart of nature.

Guided walk along the bisses

Maximum 10 participants per guide

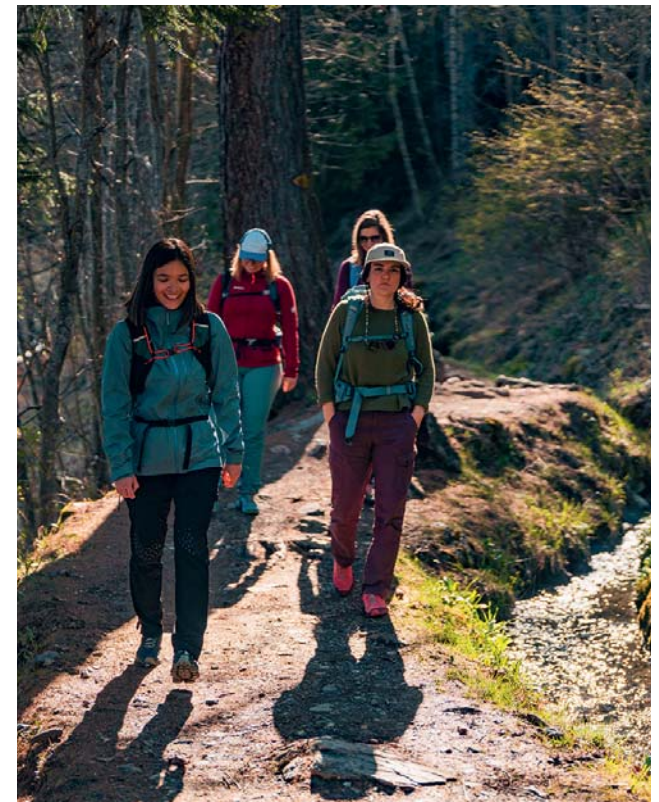

Come and explore the 'bisses', ancient irrigation channels, offering walks along the water's edge perfect to explore the region in a peaceful and enjoyable way. The 'bisses' represent gentle walks, ideal for all levels of hiker. For an even more rewarding experience, you can be accompanied by a guide who will share his or her knowledge of the region's history and surrounding countryside.

Olympiads

Up to 150 participants

Come and take part in the Olympiads, a fun and dynamic experience that promises lots of laughs and great teamwork. A number of tasks are on offer, guaranteeing unforgettable fun. At the end of the activity, a prize-giving ceremony will reward the most outstanding teams.

Summer mountain scooters

8 adult scooters and 2 child scooters available

Give your team a thrilling experience and hire summer scooters to hurtle down the mountain trails in complete safety.

Mountain/E-bike tour

Maximum 10 participants per guide

Explore our mountain bike and E-bike routes to discover the natural beauty of our region. To make your experience easier, you can be accompanied and/or hire bikes on site.

E-bike touring seminar

On request

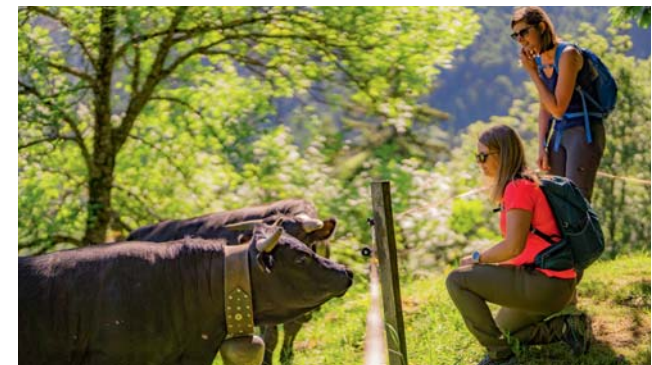

Combine adventure and work with a touring E-bike seminar in Nendaz. Travel around the region on an electric bike and enjoy the spectacular scenery as part of your outdoor seminar sessions. The use of E-bike offers a number of advantages, including the ability to overcome differences in level between participants and to reach higher landmarks with less effort.

Raclette on the mountain pastures

Maximum 10 participants per guide

Experience an authentic evening in our mountains. After taking the chairlift up to Tortin, head back down through the forests and mountain pastures to meet the famous Hérens cows. With the help of a mountain guide, you will learn more about life on the mountain pastures. The evening ends with a traditional raclette prepared over an open fire, to be enjoyed surrounded by beautiful nature.

For more activities or indoor workshops, please take a look at our chapter «Teambuilding all year round».
