MEETINGS & TEAMBUILDING

Welcome to Nendaz

Nestled in the heart of the prestigious 4 Vallées ski domain, the largest in Switzerland with over 400 kilometres of slopes, Nendaz offers far more than just snow-covered pistes. Whether in winter or summer, our destination is the perfect location for your business meetings or incentive trips.

Boasting a wide range of accommodation including chalets, apartments and 3- and 4-star hotels, Nendaz is perfectly suited to all types of events.

In addition, our fully equipped meeting rooms provide the ideal setting for successful business meetings.

Thanks to our excellent weather conditions, a wide range of exciting outdoor activities are available all year round. Whether it's hiking along one of our eight historical bisses (traditional irrigation channels), mountain biking in summer, immersing yourself in our traditions or skiing in winter, there is truly something for everyone.

With over 35 restaurants and bars as well as numerous shops and businesses, participants can fully enjoy their stay.

In case of bad weather or for indoor activities, Nendaz also offers attractive alternatives. Guests can take part in indoor Alphorn workshops, explore an exhibition at the Nind'Art gallery or unwind at the Spa des Bisses.

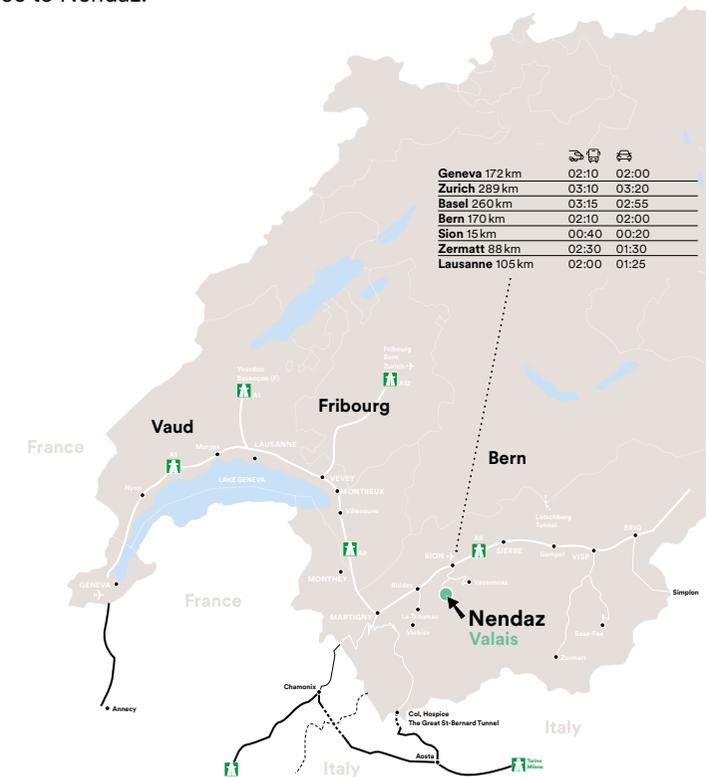

Accessibility

Halfway between Chamonix and Zermatt, Nendaz is located in the heart of the Valais Alps and offers stunning panoramic views over the Rhone Valley. Situated at 1,325 metres above sea level, Nendaz is only a 20-minute drive from Sion. Our destination has direct motorway access between Sion and the major European capitals. If you are arriving by plane, there is a direct train connection to Sion from Geneva Airport.

Excellent connections are also available between Zurich Airport and Sion. Once in Sion, the postal bus brings you to Nendaz in 40 minutes. We invite you to consult public transport timetables on the SBB website (www.sbb.ch). Private transfers can also be arranged from the location of your choice to Nendaz.

Why choose Nendaz?

A break from everyday life in a natural setting

In the heart of the 4 Vallées ski domain, Nendaz benefits from a prime location, making it an ideal destination in both summer and winter. Throughout the winter, ski enthusiasts can enjoy over 400 kilometres of slopes adapted to all levels. In summer, this vast domain transforms into a hiking paradise with a great number of breathtakingly beautiful trails.

While there's plenty to do in Nendaz, it's also the perfect place to unwind and recharge. This creates the ideal atmosphere for balancing work and leisure.

Easy access thanks to its proximity to major routes

Guests can reach Sion by rail from a number of Swiss and international destinations, before taking one of the regular postal bus services running to Nendaz seven days a week.

When you choose Nendaz, you are opting for a destination that combines spectacular natural surroundings with a wide range of services and activities to make your stay truly memorable.

A wide range of activities available year round

Whatever the season, Nendaz invites you to enjoy unique experiences. From outdoor adventures to indoor activities, Nendaz provides experiences tailored to your needs. Whether you wish to explore the mountains on foot in summer or on skis in winter, discover our traditions or simply relax, every activity organised in Nendaz can be personalised to ensure an unforgettable adventure.

A charming village with everything close at hand

Here, a medical centre, hotels, sports shops and grocery stores are all conveniently located nearby, ensuring a comfortable and carefree stay.

Sustainability

Sustainability is a key priority for Nendaz, reflected in its commitment in several areas:

1. Preserving Nendaz's heritage and culture

In Nendaz, preserving both natural heritage — such as the historic bisses (irrigation channels) — and cultural traditions, including the Alphorn, is essential. By promoting and protecting this heritage, Nendaz ensures that future generations can also enjoy these exceptional treasures.

2. Immersion in local traditions

To share its traditions, Nendaz proposes engaging and truly genuine activities. Guests can discover the local wildlife and surrounding nature and participate in an Alphorn playing initiation. It is also possible to visit the mountain pastures, to learn all about and even taste local products such as raclette cheese. Furthermore, the old quarters of the village present a unique insight into the region's history and traditions.

3. Easy access via efficient public transport

Nendaz is highly accessible thanks to an efficient public transport network. This not only provides an ecological solution but also a practical way to explore the stunning Alpine scenery on the journey to Nendaz.

4. Hotels by MAD

The MAD hotels, MAD Mount and MAD Retreat embody a strong commitment to sustainability. Their dedication to sustainable development is reflected in every aspect of their operations. More information can be found here: www.madmount.ch/mad-philosophy.

5. Swisstainable

Nendaz Tourisme is proud of its Level III certification within the "Swisstainable" programme. It represents a harmonious vision of sustainability, embracing environmental, economic and social aspects. This distinction reflects our commitment towards sustainable development.

Mountain/E-bike tour

Maximum 10 participants per guide

Discover the region's stunning landscapes on our mountain bike and e-bike trails. Bikes can be hired on site, and guided outings are also available to help you make the most of your experience.

E-bike touring seminar

On request

Combine work and adventure with an e-bike touring seminar in Nendaz. Explore the region on electric bikes while enjoying the spectacular scenery as part of your outdoor seminar sessions. E-bikes offer several advantages, allowing participants of different fitness levels to ride together comfortably and making it easier to reach higher viewpoints with less effort.

Raclette in the mountain pastures

Maximum 10 participants per guide

Enjoy an authentic evening in the mountains. After taking the chairlift up to Tortin, head back down through the forests and mountain pastures to meet the iconic Hérens cows. Accompanied by a mountain guide, you will learn about life on the alpine pastures. The evening ends with a traditional raclette prepared over an open fire, to be shared in a beautiful natural setting.
