Nendaz Backcountry Invitational 2025: a symphony of powder and spectacular tricks from the best athletes on the freeride and freestyle scene

The 5th edition of the Nendaz Backcountry Invitational took place this Sunday, January 12, 2025, in the Plan du Fou / Siviez (Nendaz) area. The competition, which saw a selection of the world's best freeriders and freestylers compete, was broadcast live. It is now available for replay.

With the recent snowfalls providing beautiful powder, the sunshine and the excellent level of the participants, the show was guaranteed! It was an exceptional day, with crazy sporting performances and a very friendly, festive atmosphere in the finish area.
